

TYSEERS

Tysers are delighted to be endorsed by the Target Markets Program Administrators Association as the exclusive broker for program business placed in the London Market.

Tysers was formed in 1820 and is the oldest Lloyd's broker. Originally a family firm, it is now owned 100% by its employees. Headquartered in London with over 210 employees, Tysers currently places over \$700m of premium into the London and International Markets from clients located worldwide, \$400m of which comes from over 300 separate US binding authority contracts.

Tysers works closely with US based Program Administrators structuring programs suited to the London market. We have been successful in setting up programs for a broad range of classes including the following:

- Property
- General Liability
- Professional Indemnity
- Accident, Health and Contingency
- Transportation
- Specialist classes, including:
 - Jewellers Block
 - Fine Art
 - Product Recall
 - Terrorism
 - Bloodstock

Tysers will be represented at the TMPAA Annual Summit in October and would be very pleased to discuss any potential opportunities that you think may be a fit for the London market. Additionally we will be holding a workshop where potential solutions to the challenges faced by program administrators in the current market will be discussed.

If you have any immediate questions or would like to discuss some current program opportunities please contact:
